Declaration

I declare (i) that the statements and particulars in this proposal are true and that no other material facts have been misstated, omitted or suppressed after enquiry; and (ii) I have obtained, and will obtain in the future, the express consent to the disclosure and use of sensitive personal data from every data subject whose sensitive personal data is supplied in connection with this proposal for the purposes of (a) underwriting the risks and (b) administering and performing any resulting insurance contract.

I agree that this proposal, together with any other information supplied shall form the basis of any contract of insurance effected thereon. I undertake to inform the insurer promptly in writing of any material alteration to those facts occurring before completion of the contract of insurance. I confirm my understanding that the fact that specific questions have been asked in this questionnaire does not remove our company's obligation to inform ACE Europe of all other matters relating to health and safety of employees which are material to the risk for which we are seeking insurance.
